Sir:

Applicant responds as follows to the Office Action mailed on May 1, 2003.

Claims 1-13 are pending. Claims 1-4 and 10-13 have been rejected. Claims 5-9 have been objected to as being dependent upon the rejected base claim, but would be allowable if rewritten in independent form, including all of the limitations of the base claim and any intervening claims.

Claim 1

Claim 1 was rejected under 35 U.S.C. § 102(b) as being anticipated by Montgomery (U.S. 5,738,231).

Claim 1 calls for, in pertinent part, a package comprising: a container ... with a spout extending upward and inward from an upper portion of a main body and topped with an upwardly and outwardly flared portion terminating in a rim defining a container opening, a closure. . . and sealing elements including an annular sealing flange extending downwardly and inwardly from [an] end wall of the closure and having an outer sealing surface which engages an inner sealing surface on the flared
